LOYALTY APP UPDATE:

Team, it has come to our attention that there is some confusion around the app and ways to earn coins + rewards.

- Each visit to our location = 1 Minuteman Coin
- If a customer is purchasing multiple items, those items CANNOT be scanned as multiple transactions to earn coins.

Ex: 3 items should not be 3 different transactions.

The coins should be based off of store visits ONLY.

- Employees cannot use their rewards app or ID to provide discounts to customers or gain coins for themselves.
- Employees must encourage and guide customers to sign up for the customer's own rewards.
- Employees who allow the use of their app or ID for purchases that are not the employee's will be subject to disciplinary action.
