SPOTLIGHT

While out on visits recently. I stopped by the Longs SC location. Tameika and Cornelius, helped take care over 4 dozen customers, helped many with the app and discussed the discounts you can get by using the app. I heard them both give the "Welcome to Minuteman" greeting repeatedly. They were able to orchestrate and work together to provide excellent customer service, clean up the areas after customers left, and prep areas that were needing attention before the next customer walked up.

This is what winning looks like!
